As part of your application for an initial or renewed professional license issued by the Oregon Board of Optometry, you are required to provide your Social Security Number to the Board. This is mandatory. The authority for this requirement is Oregon Laws 1997, Chapter 746, section 117 (ORS 25.785) and USC 666(a)(13). Failure to provide your Social Security Number will be a basis to refuse to issue or renew the license you seek. This record of your Social Security Number will be used for reporting to the Oregon Department of Revenue, Oregon Department of Justice (Division of Child Support), National Practitioner Data Bank (Public Law 99-660 as codified by 45 CFR Part 60 (Title IV)), Health Care Integrity and Protection Data Bank (Public Law 104-91 and amended by PL 105-33 (Section 1128E of the Social Security Act), and the Association of Regulatory Boards of Optometry. The date and place of birth and gender information is used internally by the Board and for reporting to the agencies referenced above.

The Oregon Board of Optometry is required by SB 786 (2001 Session) to report to the Legislature on the racial and ethnic makeup of applicants and professionals regulated the Board. Provision of this information is voluntary. However, we would encourage you to supply the information in order that the Board can more effectively meet its requirements under the law. The Board is using the race and ethnicity definitions of the U.S. Census Bureau to categorize this information.

If you have any questions concerning the examination and licensure process, please contact Cathy Boudreau, Administrative Assistant, or Nancy Sellers, Executive Director at the Board's office.
